Mycoplasma Pneumoniae P116 Protein

Catalogue No.: abx260306

M.Pneumoniae P116 is a recombinant protein.

Target:	M.Pneumoniae P116
Expression:	Recombinant
Conjugation:	Unconjugated
Form:	Liquid
Purity:	> 95% (10% PAGE with Coomassie staining)
Activity:	Not tested
Note:	This product is for research use only. Not for human consumption, cosmetic, therapeutic or diagnostic use.

For Reference Only
