

## Vascular Endothelial Growth Factor D / FIGF (VEGFD) Antibody

Catalogue No.: abx131873

Western blot analysis of recombinant Human VEGFD.

Vascular Endothelial Growth Factor D Antibody is a Mouse Monoclonal against Vascular Endothelial Growth Factor D.

|                               |                                                                                                                              |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Target:</b>                | Vascular Endothelial Growth Factor D / FIGF (VEGFD)                                                                          |
| <b>Clonality:</b>             | Monoclonal                                                                                                                   |
| <b>Reactivity:</b>            | Human                                                                                                                        |
| <b>Tested Applications:</b>   | WB, IHC, IF/ICC                                                                                                              |
| <b>Host:</b>                  | Mouse                                                                                                                        |
| <b>Recommended dilutions:</b> | WB: 0.5-5 µg/ml, IHC: 5-30 µg/ml, IF/ICC: 5-30 µg/ml. Optimal dilutions/concentrations should be determined by the end user. |
| <b>Conjugation:</b>           | Unconjugated                                                                                                                 |
| <b>Immunogen:</b>             | Phe93-Ser201                                                                                                                 |
| <b>Isotype:</b>               | IgG <sub>2b</sub> Kappa                                                                                                      |
| <b>Form:</b>                  | Liquid                                                                                                                       |
| <b>Purification:</b>          | Purified by Protein A and Protein G affinity chromatography.                                                                 |
| <b>Storage:</b>               | Aliquot and store at -20°C. Avoid repeated freeze/thaw cycles.                                                               |
