|-------------------------------|--|
| <b>Target:</b>                | Dihydrotestosterone  |
| <b>Origin:</b>                | General  |
| <b>Expression:</b>            | Synthetic  |
| <b>Tested Applications:</b>   | ELISA  |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user.   |
| <b>Conjugation:</b>           | HRP  |
| <b>Form:</b>                  | Liquid   |
| <b>Storage:</b>               | Store at 2-8 °C in the dark for up to three months. For long term storage, aliquot and store at -80 °C. Avoid repeated freeze/thaw cycles. |
| <b>Activity:</b>              | Not tested   |
| <b>Note:</b>                  | This product is for research use only.<br>Not for human consumption, cosmetic, therapeutic or diagnostic use.                              |
| <b>Directions for use:</b>    | Centrifuge prior to use to ensure complete recovery of vial contents.  |

For Reference Only
